My 15th birthday party in spanish

Getty Remember how much you left your birthday party as a kid? Decorations, gifts, cake, goodie bag ideas for birthday parties (did we mention the cake?)! In fact, children get so excited about the next year's party that it's not unusual for them to start planning the next party before the last guest leaves. We know what you're thinking, time, slow down. But at this birthday party ed for Pinterest and Instagram, you might only need a whole year to plan! Especially when your little girl asks for a superior, truly magical unicorn party or some of the world's most epic mermaid parties. (Googling now: How much does it cost to rent Ariel for a birthday party?). In the vast world of ideas for girls' birthday parties, you might think it's all about going big or going home, and that's certainly an option. But there are other creative ways to celebrate another trip around the sun without breaking your bank or back. No matter what age your girl is or interested in, check out these sweet and feisty birthday party ideas for girls to make your little darling feel special 1/22 Bounce House Birthday Party YARD amazon.com Which child wouldn't want a bouncy party? If the weather is warm enough – and if you have room – host a party in your own backyard. Instead of renting a bouncy castle for an event, buy an affordable one like this retro-style castle, and it can double as a gift for a birthday girl. 2/22 Slumber Birthday Party Heritage Kids amazon.com \$57.23 If there's one party theme that never goes out of style, it's a dream party! Tell partygoers to bring their sleeping bags, order pizza and turn on the best children's movies on Netflix. 3/22 At the Nutcrake Tees birthday BETOP HOUSE amazon.com Her birthday doesn't have to fall in December to arrange a Nutcrapper teamaker dance, but it would certainly make it easier as your home's holiday décor could double as party decorations. 4/22 Tie-Dye Birthday Party Tulip One-Step Tie-Dye Kit amazon.com Tie color is trending at the moment, and not just shirts. We see hoodies, leggings and even socks in throwback design. This party idea is right for teens who are ointable and create their own fashion. 5/22 Trolls Birthday Party Have a Trolls movie fan in your life? Fortunately, Trolls' birthday party is a pretty easy theme. Choose a rainbow color palette and pepper for themed details, such as this hair-raisingly good DIY headband. Get tutorial DIY Inspired.SHOP TULLE 6 of 22 Karaoke / Dance Party Birthday Party Karaoke USA amazon.com \$189.99 \$157.60 (17% off) For that music and dance-loving girl, a karaoke dance party hits all the right note. The cheated karaoke machine (here are the lights, two microphones for duets and a screen) serves as party entertainment and quite a sweet gift. Create a playlist with all his favorites to celebrate his big day. 7/22 Rainbow Birthday Party Throws a Party Bright and Cheerful as a little one! The rainbow theme is very easy to implement from decorative to food. For a table runner to see here, all you need is a packet of multicolored balloons, a few minutes and some white thread. Bird's Party creator Cristina even made a video to show how to do it. Get a tutorial on Bird's Party. SHOP BALLOONS 8/22 Spa birthday party Little girls love pampering! Instead of carting into the children's salon, bring the salon experience to them. Greet guests with matching robes, which they can take home as festive services. Wrangle friend or two come and help you manis/pedis while children relax with face masks (don't forget cucumber eye patches). If you're having a big party, consider hiring a few professionals for the day. SHOP BATHROBES 9 of 22 Art-Themed Birthday Party US Art Supply amazon.com \$14.96 Celebrate little Picasso in your life with art-themed parties. What's the best party? You don't have to break the bank to succeed. A mix of simple, colorful decorations and foods (fruit sages, vegetables and dips, cupcakes) and a few special touches, such as these mini fabrics that kids can paint as an activity, are all you need to make a masterpiece of the feast. 10/22 Slime birthday party Is the little lady in your life obsessed with slime? Aren't they all children?! Celebrate her big day with a party that has made her (and her guests!) ooz smiles. A big event, of course, is the preparation of mucus, so prepare a slime pack bag for each guest with everything they need. 11/22 Unicorn birthday party Toot a little horn at magical unicorn-themed birthday parties that he won't soon forget. You can't go wrong with decorations with a simple pastel or rainbow color palette. Trust a few statement elements, such as the cakes and cupcakes seen here, really instagram-able moments. 12/22 Outdoor Movie Night Birthday Party Celebrate your leading lady on backyard movie night! Whether it's the main event or part of a birthday dream party, kids – especially the teen audience – love the chance to unplug adults and grab the best classic children's movies outside. To create a home theater, you need a blank wall or sheet and a portable projector (you connect it to a laptop or another device). Set up comfortable seats and a concession stand offering classic theatrical prices such as popcorn, nachos and boxy candy. BUY POPCORN CONTAINERS 13/ 22 Flamingo-themed birthday party WERNNSAI amazon.com \$29.99 Your little girl tickles pink flamingo teal! Pink, of course, should be the main color, but it doesn't have to be the only color. Try mixing shades of pink – from light to neon – with white, gold and green. Pile the sweets (think pink pink macaroons and, of course, pink cake or cupcakes) and plan a few activities (ring around the flamingo neck or who can jump on one leg for the longest?), and you'll have a for yourself a a 14/22 Moana-themed birthday party with its bright colours and uplifting soundtracks, the Moana-themed birthday party is a natural fit for a Disney-loving girl's party. Go with a generic Hawaiian party theme and pepper in movie references and shoots, and you're pretty good at going. You want to keep the dessert simple? Homemade stencil and some colored sugar creams are all you need to do with Te Fit's heart design for the cupcakes seen here. Get a tutorial at Mama Cheaps. 15/22 Ice Cream Social Birthday Party UNIQUEONE amazon.com \$13.59 Ice cream themed gathering is perfect for summer, but you can pull this theme off at any time of the year. Decorate your space with candy-colored decorations and set up your own ice cream parlour with all the toppings. How cute would a birthday girl be in this cone-printed dress? From 16 of 22 circus thesins, planning a circus party doesn't have to feel like a circus. One statement-making element, like a series of colorfully designed characters, can do most of the heavy lifting when it comes to decorating. Smaller items, such as tent party hats, can drive the look home. Small boxes of animal biscuits in their circus-themed packaging make for sweet festive services. 17/22 Under The Sea-Themed Birthday Party Show birthday girl a fun whale with sea/mermaid-themed birthday parties that she won't soon forget. Set the mood (and your desk) with shades of blue and touches of sand, shells and starfish, like the table here. Theme bites like these lovely oyster crackers take it to the next level. Get a recipe from Make Life Lovely. 18/22 Mickey Mouse tutista Can never go wrong with a Mickey-themed birthday party. For something a little different, branching out of a classic red, black and yellow color palette and sticking to a simple black and white design instead. In addition to being stylish, it's easier for you to find party supplies. And don't be afraid to try unexpected patterns. We love how Lindsey of Life Lutzurious incorporated a black and white grid pattern into her Mickey décor. See more of this party life lutzurious.BUY MICKEY EARS HERE 19 of 22 Cheerleading Birthday Party Whether he's 2-4-6-8 or whatever age you get, show him how much you appreciate him with cheerleading themes. Invite older girls to help and teach a couple of cheers and songs (you're glad you did when the sugar rush starts!). Choose balloons and paper products from his team's favorites. Shiny cheerleader-pom poms are a very fun favor. 20/22 Tea Party birthday party AerWo amazon.com Pinkies up! Does your little girl always play at a tea party? Why don't you throw him some cucumber sandwiches and scones for his real birthday? (Fancy hats are a must!) These 3D party favorite boxes can do a double favor 21/22 Princess birthday party MEANT2TOBE amazon.com \$16.99 To fulfill all her fairytale dreams princess-tee birthday party. Princess-tee birthday party, guests wear costumes in princess best. The rods and creative own tiras do fun DO-IT-YOURSELF party services. 22/22 Mad Scientist-themed birthday party You can pull the mad scientist theme at any time, but it would be especially cute around Halloween. (And probably easier to buy.) Think self-service drink dispensers topped with dry ice, which are especially scary and stick to delicacies such as the monster guts seen here.
